

CEB LAUNCHES NEW WEBSITE

CEB proudly announces its new website!

After weeks of brainstorming, we are proud to announce the launch of the new CEB website.

The new website has been fully modernized and also provides more information about our services.

We would like to invite you to have a look at www.conexbe.be to find out what our new website has to offer.

We also recommend you to frequently visit our dynamic website in order to get well informed about the latest news of our organization.

In the near future the members area on the website will be activated. On this location the CEB members will be able to search for specific information and consult the different CEB newsletters.

If you have any questions, do not hesitate to contact [the secretariat](#).
